

HOT TOPICS IN ONCOLOGY: Biosimilar Monoclonal Antibodies

Friday, 26 September 2014
14.00–16.00

OVIEDO AUDITORIUM
IFEMA – Feria de Madrid

FACULTY

Marc Thill, MD, PhD (Chair)
Agaplesion Markus Hospital
Frankfurt, Germany

Romano Danesi, MD, PhD
University of Pisa
Pisa, Italy

Bruno Flamion, MD, PhD
University of Namur
Namur, Belgium

Irene Krämer, PharmD, PhD
University Medical Center
Johannes Gutenberg
Mainz, Germany

AGENDA

- 14.00 **Welcome and introduction**
Marc Thill, MD, PhD
- 14.10 **Topic 1: Approval of the first biosimilar monoclonal antibody**
Bruno Flamion, MD, PhD
- 14.35 **Topic 2: Development of biosimilars for breast cancer**
Marc Thill, MD, PhD
- 15.00 **Topic 3: Biosimilar extrapolation in breast cancer**
Romano Danesi, MD, PhD
- 15.25 **Topic 4: Pharmacovigilance**
Irene Krämer, PharmD, PhD
- 15.50 **Expert opinions on biosimilar monoclonal antibodies**
Faculty panel discussion
