

# Are there opportunities to improve outcomes utilizing IO and shared decision-making for locally advanced dMMR/MSI-H CRC?

Thurs, 27 June 2024  
12:45-13:45 CEST  
Room 13b  
ICM - International  
Congress Center Messe  
Munich, Germany

## CHAIR

**Limitations of current management for locally advanced dMMR/MSI-H CRC**  
Volker Heinemann, MD, PhD | Munich, Germany

Q&A

**Do the limitations of current management for locally advanced dMMR/MSI-H CRC justify the need for new approaches?**  
Audience (live & virtual), Volker Heinemann, Kimmie Ng, Myriam Chalabi

**The potential of IO for locally advanced dMMR/MSI-H rectal cancer**  
Kimmie Ng, MD, MPH | Boston, United States

Q&A

**What's the clinical potential of IO for locally advanced dMMR/MSI-H rectal cancer?**  
Audience (live & virtual), Volker Heinemann, Kimmie Ng, Myriam Chalabi

**The potential of IO for locally advanced dMMR/MSI-H colon cancer**  
Myriam Chalabi, MD, PhD | Amsterdam, Netherlands

Q&A

**What's the clinical potential of IO for locally advanced dMMR/MSI-H colon cancer?**  
Audience (live & virtual), Volker Heinemann, Kimmie Ng, Myriam Chalabi

Q&A

**Actionable strategies for effective shared decision-making | General Q&A | Panel Discussion**  
Audience (live & virtual), Volker Heinemann, Kimmie Ng, Myriam Chalabi
