

ESMO 2024 Industry Satellite Symposium

# Driving *EGFR*-mutant NSCLC care forward

**Sunday 15 September 2024, 13:00–14:30 CEST**

Santander Auditorium, Hall 5, Fira Barcelona Gran Via, Barcelona, Spain

Available on demand until Thursday, 19 September 2024

Join us at ESMO 2024 for a satellite symposium featuring experts in the field of Lung Cancer

## Steering Committee:

**Antonio Passaro**  
Italy

**Noemí Reguart**  
Spain

## Faculty:

**Enriqueta Felip**  
Spain

**Sanjay Popat**  
UK

**Alexander Spira**  
US

## Learning objectives

After attending this symposium, participants should be able to:

- Explore the clinical significance of the evolving treatment landscape for *EGFR*-mutant NSCLC and its impact on patient outcomes
- Evaluate the practical considerations for implementing novel treatment approaches in *EGFR*-mutant NSCLC

**Johnson & Johnson**

This industry symposium is funded and organised by Johnson & Johnson in EMEA and is intended for healthcare professionals only.

Janssen Pharmaceutica NV, Turnhoutseweg 30
