

# Exploring advances in immunotherapy for hepatobiliary and gastric cancers

Sunday 8 December 2024 | 12:30–14:00 SGT

Hall 402, Level 4, Suntec Singapore Convention and Exhibition Centre, Singapore

## PROGRAMME

12:30–12:35	<b>Welcome and introduction</b> Do-Youn Oh
12:35–12:45	<b>Evolving strategies: immunotherapy-based regimens for biliary tract cancer</b> Do-Youn Oh
12:45–13:00	<b>Case study and discussion</b> Do-Youn Oh; <i>audience participation</i>
13:00–13:10	<b>Redefining treatment goals: immuno-oncology approaches for hepatocellular carcinoma</b> Stephen Lam Chan
13:10–13:25	<b>Case study and discussion</b> Stephen Lam Chan; <i>audience participation</i>
13:25–13:35	<b>Perioperative approaches: exploring the potential of integrating immunotherapy and chemotherapy in resectable gastric cancer</b> Sylvie Lorenzen
13:35–13:55	<b>Case study and discussion</b> Sylvie Lorenzen; <i>audience participation</i>
13:55–14:00	<b>Close</b> Do-Youn Oh

## FACULTY

**Do-Youn Oh (Chair)**

Seoul National University College of Medicine, Republic of Korea

**Stephen Lam Chan**

The Chinese University of Hong Kong, Shatin, Hong Kong

**Sylvie Lorenzen**

University Hospital Rechts der Isar, Munich, Germany

This scientific exchange symposium is organised and funded by AstraZeneca for healthcare professionals only.

The symposium will be 90 minutes and will include panel discussions with audience participation and an audience Q&A. During this symposium, data may refer to medicines or indications under investigation or that may not be approved in your country. The information should under no circumstances be regarded as recommendation for use of the medicine or indication. Please consult your local prescribing information.
