If you have answered YES to ALL items above, then proceed to the Narrative Description section

Section guidance: Narrative description for re-accreditation

1. Within the electronic form: submit a typewritten narrative description outlining any updates within your centre for each criteria.
2. For each of the criteria, limit your description to no more than 500 words. Do not use software such as ChatGPT, an external person or agency, or text from other sources to complete your application. Applications must be made in English.
3. Adhere to the numbered criteria structure, please do not add subsections or lists to your application, these will not be accepted.
4. Upload a letter of Continued Adherence signed by the Director of the Oncology Service and Hospital / Institute Director.
5. Please note that an application may not be accepted if it does not follow the guidance or does not sufficiently meet the 13 criteria.
