

Nivolumab + ipilimumab CheckMate 8HW

PRELIMINARY SCORE

CURATIVE

NON-CURATIVE

ADJUSTMENTS

Quality of life

Not qualified for an ESMO-MCBS credit

Serious and disabling adverse effects

Other adjustments

Long-term plateau in the survival curve and OS advantage continues to be observed

Nivolumab + ipilimumab CheckMate 8HW

SCORE

CURATIVE

Overall Survival / Disease-Free Survival / Pathological Complete Response

NON-CURATIVE

Overall Survival

Progression-Free Survival

Non-inferiority (Improved Quality of Life or Reduced Adverse Events) / Response Rate

Overall Response Rate / Duration of Response

Overall Survival / Disease-Free Survival / Pathological Complete Response
